

## Catch-Up Grant Report 2018-19

### Q: What is the Catch-Up Grant

A: Catch up Grant funding is additional money schools receive to support students who do not meet national expectations at the beginning of KS3.

### Q: How do we identify students eligible for Catch-Up Grant in 2018-19?

A: The government provide catch-up premium to support students who did not achieve national expectations at KS2 in Reading, Writing or Mathematics. We use primary school raw scores, our own reading and screening data in English and Maths and CAT (Cognitive Ability Tests) to identify our Pupil Catch-Up cohort.

### Q: How many students does Uckfield College have eligible for Catch-Up Grant in the Y7 2017-18 cohort?

A: 82 students within Y7 cohort (2017-8) were eligible for this grant as they performed below national expectations at the end of KS2.

### Q: How much money did Uckfield College receive for Catch-Up Grant last year?

A: £11,000

### Q: How was the money spent?

A: We used our Catch-Up grant on interventions through our flexible learning department, learning assistant support & interventions in En & Ma and Lexia.

Year Group	Number	Boys	Girls	Impact	Cost
Year Seven	82	55	27	<b>English: 65% making expected progress or above</b> 6 completed year seven above target 47 completed year seven on target 27 completed year seven one below target	<b>Lexia:</b> second year of a three year contract. Initial cost: <b>£7568/3 =£ 2522.</b> Lexia is used every week in class for 20 minutes+60

				2 completed year seven two below target	<p>minute homework.</p> <p><b>Literacy support in Flexi:</b>  one group of five all year @£94 a week all year = <b>£4512</b></p> <p>Six groups of three @£94 per session over 8 weeks = <b>£3666</b></p> <p><b>Reading buddy:</b> 20 minutes per session each week @£32 an hour, three students: three members of staff (TA). Four terms: <b>£448</b></p>
Year Seven	82	55	27	<p><b>Maths: 83% making expected progress or above</b></p> <p>1 completed year seven 2 above target  7 completed year seven 1 above target  60 completed year seven on target  14 completed year seven one below target</p>	<p><b>Maths support:</b>  4 groups of mixed sizes (two to four), two teachers (@£66) for five weekly sessions = <b>£1320</b></p> <p><b>Maths support in Flexi: 7 classes (1:2 and 1:1) for 8 weeks with UPS teacher= 2464</b></p>
